About Newbury Data

Manufacturing

Newbury Data is the UK's leading manufacturer of thermal ticket printing, encoding and issuing solutions including desktop, OEM & mobile printing, and self-service ticket vending machines.

Value Added Distributor

Manufacturing printers since 1974, Newbury Data's reputation for our own high quality and highly reliable printers has made us the number one partner of choice to distribute thermal printers for the worlds leading manufacturers such as Citizen, Intermec, Printronix, Toshiba and Zebra.

34 years expertise in impact and thermal printing solutions has allowed us to develop unique solutions to help our customers migrate from legacy desktop or stand alone systems to use Mobile, Wireless, RFID and fully automated solutions interfacing into the latest WMS and ERP systems. Newbury Data's expertise in generating value added impact and thermal printing solutions has allowed us to develop solutions including Barcode Validation for desktop thermal printers, as well support for our clients to migrate their applications from legacy desktop or stand alone systems, to use Mobile Printers, Mobile Computers or RFID peripherals.

Auto ID & RFID Solutions

Complimenting our printing solutions Newbury Data have become a Cipher Lab Partner and an Intermec Honours Partner. This enables Newbury Data to be able to deliver batch & real time mobile data capture solutions including customer specific hand held computer software or full traceability and RFID applications.

Writing either bespoke mobile computing or Healthcare identification and traceability software solutions has helped make Newbury Data one of the most sophisticated GS1 Auto ID solutions providers in the UK.

Professional Services

The professional services team provide wireless LAN site surveys, project management, product installations and user training programs to suit all requirements.

Media & Maintenance

Newbury Data provides advice and supply of consumables, labels, ribbons, printheads, spare parts, on-site maintenance and workshop repair services for all the products we supply.
